ABOUT ME:

LINDSEY KETTLE

www.101thingstodowithkids.com
lkettle1976@hotmail.co.uk

I started this family and parenting blog in April 2014.

It covers every aspect of my parenting experience, including arts and crafts activities we do, places we visit, books we read and I also intersperse the occasional reflection on family life in there too.

Projects we are happy to collaborate on :

- Product reviews
- Giveaways
- Sponsored Posts
- Social Media Promotion
- Affiliate Links

TARGET MARKET

101thingstodowithkids.com is aimed at families with young children, to offer ideas and insights on parenthood!

We attract readers from around the world – with the majority of our readers in the UK and USA.
